# MILES-OF-VIEW — AND — ROANRIDGE *Shorthorns*

SALE AT MILES-OF-VIEW FARMS, KENNETH, KANSAS  
THURSDAY, MAY 15, 1941. ONE O'CLOCK

IMP. CALROSSIE PRINCE PETER  
THE 1940 SUPREME CHAMPION, PERTH, SCOTLAND

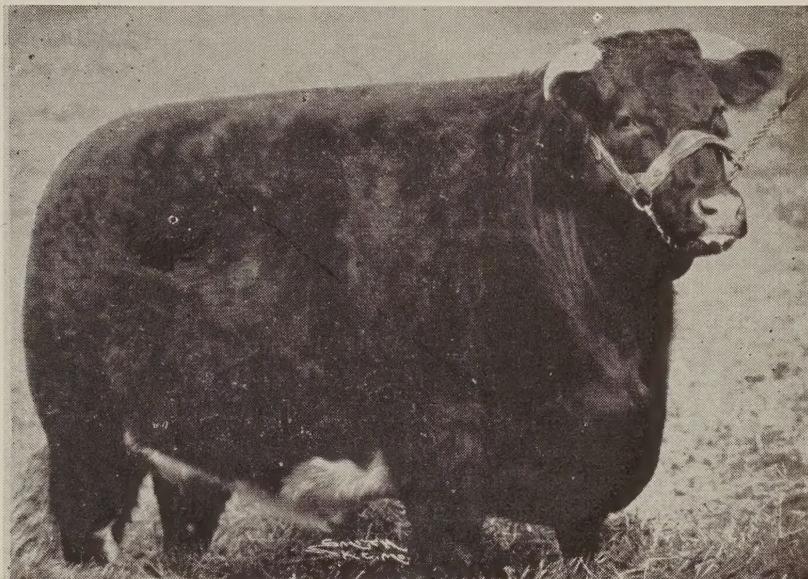

**MILES-OF-VIEW CLIPPER 2D AND DAM**

**Imp. Calrossie Prince Peter's first calf, a heifer, born March  
4th and out of Robinwood Clipper.**

**Announcement!**

Eighteen of the grandest females that Miles-of-View, or any other breeder, has ever offered will be sold in this sale. They are all superb individuals with outstanding pedigrees *and all, except one, are bred to Imp. Calrossie Prince Peter, the 1940 Supreme Champion at Perth.* Prince Peter's first calves have arrived and will be on view. ~ Breeders everywhere, we believe, will be intensely interested in this announcement.

# Miles-of-View and Roanridge Shorthorns

## MILES-OF-VIEW SECRET

Grand Champion female at the American Royal and International Livestock Shows, 1939, and at Ogden and Denver National 1940. She represents the type that we are striving to produce at Miles-of-View.

## *General Information*

The sale will be held at Miles-of-View Farms, 1 mile north of Kenneth, Kansas; also 1 mile west and  $\frac{1}{2}$  mile south of Martin City, Missouri. (See map on back of catalog.) Hotel reservations and transportation to the sale from Kansas City will be arranged if requested in advance. Southbound Country Club street cars on Main Street, Kansas City, may be used to 75th Street (Waldo) where taxicab fares are \$1.00 to the farm.

Lunch at 12 noon. Sale at 1:00 P. M.

The breeding guarantee adopted by the American Shorthorn Breeders' Association will be used. Both herds are Federally accredited for tuberculosis. Every animal offered has passed the Bangs' test. Health certificates will be furnished.

All cattle become the purchaser's risk when sold. Reasonable care will be taken to avoid accident. Cattle may be loaded on trucks on the farm or will be delivered to railroad yards, Martin City, Mo., free of charge.

Terms of sale are cash.

Bids may be sent by mail to H. J. Gramlich, American Shorthorn Breeders' Association, Clint Tomson, Shorthorn World, or any auctioneer or field man associated with the sale.

Attention is called to the sales of our neighbors, Sni-A-Bar Farms, May 14, and Merryvale Farm the morning (9:30 o'clock) of May 15. Luncheon will be served at Miles-of-View Farms at 12 o'clock, giving sufficient time to come from Merryvale to Miles-of-View, a distance of only  $2\frac{1}{2}$  miles, have lunch and inspect the Miles-of-View—Roanridge cattle.

Freight will be paid by Miles-of-View, Roanridge, Sni-A-Bar, and Merryvale Farms to any purchaser or group of purchasers who buy in these three sales a full car load of fifteen lots consigned to one shipping point in the United States.

AUCTIONEERS: A. W. Thompson, Lincoln, Nebr.; John E. Halsey, Des Moines, Ia.

SALE MANAGER: L. E. Hawkins, 1028 Baltimore, Kansas City, Missouri.

# Miles-of-View Farms

JOAN 4TH

Junior Champion of the 1939 American Royal. The kind that goes into the Miles-of-View breeding herd to produce more of the same or better type.

Miles-of-View Farms is both a Kansas and Missouri purebred Shorthorn establishment. The Farms consist of four hundred fifty acres, half in Kansas and half in Missouri, and lie ten miles south of the city limits (78th Street) of Kansas City, at what would be 140th Street and State Line road. It is one mile north of Kenneth, Johnson County, Kansas; and one mile west and a half mile south of Martin City, Missouri.

The Miles-of-View purebred herd is composed of one hundred (all ages) highly bred Scotch Shorthorns. The policy in handling this herd, from the first purchase, has been to add no female not calculated to improve the herd as a whole. Results, we think, have been outstanding. One of the first cows purchased was Carmen, outstanding granddaughter of the great bull, Prentice. She dropped a bull calf in 1933, the first calf born at Miles-of-View. This calf was Gainford Marshal, which became International Grand Champion of 1937. Each year since 1932 has brought more top sale and show heifers from the greatest of breeding establishments, Edellyn Farms, Raveni Farms, Robinwood, Helfred, Sni-A-Bar, Maxwalton, Anoka, Conner Prairie, Morlunda, Tomson Brothers and others.

In the Miles-of-View herd are the Junior Champions, Helfred Verbena 3d and Joan 14th, and other champion and first prize cows of similar worth. From one of these original purchases came our famous Secret family, one of which was the 1939 American Royal and International Grand Champion, Miles-of-View Secret. We have striven for one type of compact, blocky, low-set dams, and these prize winning and top heifers have gone straight into the breeding herd.

The bulls have been as carefully selected. We were unfortunate in losing Imported Scotston Airman in 1939 during the hot weather and since that time have been using Miles-of-View Sultan, son of Browndale Sultan, International Grand Champion, Miles-of-View Airman, best breeding son of Imp. Scotston Airman, and the Perth Supreme Champion, Imp. Calrossie Prince Peter.

The herd is entirely free of contagious abortion and also free of tuberculosis. There are neither suspicious nor reacting cows in the herd.

In charge of the herd is James Reid, formerly chief herdsman of Sni-A-Bar Farms, and widely known among Shorthorn breeders.

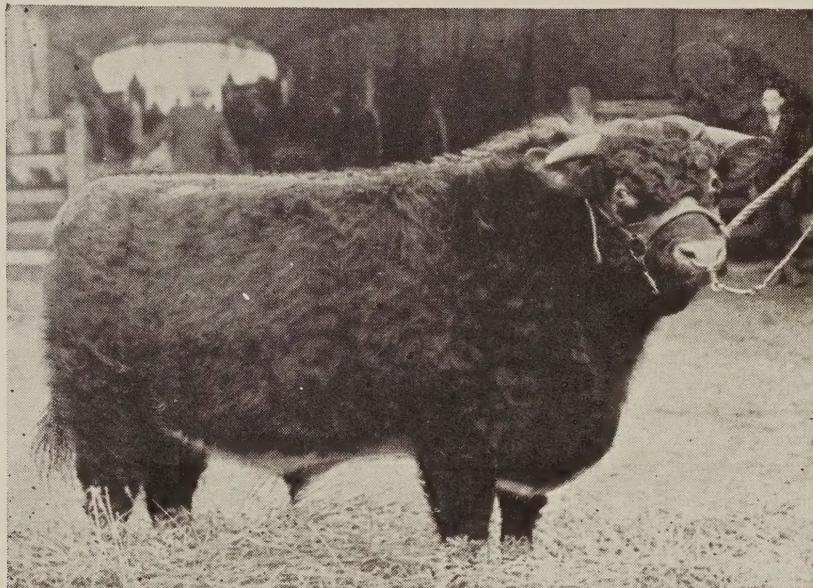

Visitors always cordially welcome.

GEORGE B. LONGAN, Owner

JAMES REID, Herd Manager

The purchase of the 1940 Supreme Perth Champion, Calrossie Prince Peter, has proved to be the greatest single step taken by Miles-of-View Farms. The first of his calves are now arriving and we are satisfied that the great bull we have been searching for is here in Calrossie Prince Peter. Prince Peter and his first calves will be exhibited sale day. You be the judge!

Calrossie Prince Peter was sired by Calrossie Randolph by Calrossie Grand National. Calrossie Grand National is by Calrossie Control. Calrossie Randolph sired the winning group of five bulls and the winning group of three bulls at the Perth 1940 Show. He also sired champion females at the Scotland shows. Calrossie Prince

Peter is out of the dam Princess Mona by Naemoor Ian. This remarkable cow, a dark even roan, is the dam of three Perth Supreme champions, Calrossie Control, (1933), Calrossie Royal Emblem, (1930), and Calrossie Prince Peter, 1940). No other cow has ever produced more than one Perth Supreme champion. The reader will note that Calrossie Control, which is the great grandsire of Calrossie Prince Peter, is also out of the same dam as Calrossie Prince Peter. Calrossie Mercury, 1938 Perth Champion, (Edellyn Farms), and Calrossie Prince Peter are the only two Perth champions ever to come to the United States.

Calrossie Prince Peter is a dark, even roan, with a great head and looks the part in style and character which has been associated with Perth champions. Frank W. Harding, who made the purchase for Miles-of-View Farms, was given instruction to buy the Perth 1940 Supreme Champion provided he was the best bull available in Scotland. Walter Biggar and William Garne, breeders known to the Chicago International as judges, did the bidding for Mr. Harding, who, due to the war, was unable to be in Perth where he had been asked to judge. Biggar and Garne made the rounds of the Scotch herds before the sale and decided on sale day Calrossie Prince Peter was the bull to buy. He was bid in at 1650 guineas (over \$7,000). War insurance, shipping, and other charges sent his cost to \$9,000, "laid down" in Kansas City.

An interesting letter from Prince Peter's breeder, Capt. John MacGillivray, received after Prince Peter had been shipped to Miles-of-View Farms reads:

"I made the remark when selling Prince Peter that I never put a bull of better conformation through the ring, so that stands. You may think he is dark enough around the muzzle, but I hope you will not worry about that. Please remember so many of our best sires were that way, including Garbity Field Marshall, Naemoor Ironclad, Naemoor Cock Robin, and many others. His dam, as you know, is also dam of Control and Royal Emblem. Control needs no boosting and Royal Emblem's females at Harvies-town took that herd forward. I have no photograph of Princess Mona (dam of Prince Peter) but nobody could wish to see a more pleasing or better headed female with her great muzzle, wide between the eyes, short face, big ears and nicely turned horns, and then her brisket and quarters and milk vessel. Good enough for a dairy cow. One of her greatest assets was her bone which with her head she inherited from Naemoor Ian. I may have as good a cow but never a better one. Then Randolph's mother of the Rosebud family and by Glastullich Waverly who was by Naemoor Jasper gives you the mixture of blood that has been accomplishing things in all countries. Grand National's mother is the loveliest thing you ever set eyes on—she could win the Royal and Highland at a walk. Do not think that I had been arranging all those matings at random.

"My only regret is that I had no permission to use Prince Peter only I did not worry as what I would have expected of him is being accomplished by his sire."

### Imported Scotston Airman

Sire of many of the heifers in this sale that now carry the service of Imp. Calrossie Prince Peter. Scotston Airman was by the great Balcairn Boleta by Naemoor Gaffer, out of Augusta Esta by Collynie Royal Escort by Calrossie Blythe Prince. You will like these good females by Scotston Airman.

**Miles-of-View  
Airman**

The best breeding son of Imp. Scotston Airman.

Because we are using Calrossie Prince Peter almost exclusively at this time, we are offering our junior herd bull and giving someone the opportunity to acquire a proved herd bull of fine pedigree. He has always stood well wherever shown, and is a solid red. More important, we have a crop of calves by him that stamp him as one of the good breeding bulls. Every calf by him is solid red, very blocky and a perfect head. He is the best breeding son of Imported Scotston Airman. His dam and sire were both solid red and each has a great pedigree in addition to being superior individuals. Good enough to go in a top herd. See his dam, Sni-A-Bar Emma 3rd, at the farm sale day.

### Air Control

See his dam also  
on sale day.

Here is a real calf, very deep solid red with a perfect head. He is deep, thick and smooth. He is a bull that hasn't been pampered in any way. Had he been fitted for show, he would have made a show bull. His dam is a real cow, very thick, deep, and extra short legged, with a perfect head. No better cow in anybody's herd. The sire is Imported Scotston Airman, and the dam, Edellyn Orange Blossom, should be seen at the farm on sale day.

## Rodney's Best

A full brother of the International Grand Champion.

Here is a chance to get a real herd sire. He is a full brother to our 1939 American Royal and International Grand Champion female, Miles-of-View Secret. We figured using him in our own herd. Since Imported Calrossie Prince Peter has proved to be such an exceptional breeder, we can afford to sell this real calf. He never has been fitted for show purposes. His sire has produced many fine blocky calves with excellent heads, and his dam, Star Secret was a great calf by Browndale Pilot out of a cow by Browndale Star. She may be seen at the farm sale day.

AIR GUARD—Here we offer a red bull of modern type. He is extra short legged, very thick, deep bodied with very wide hind quarters. He is a very excellent individual by Imported Scotston Airman, and has been in our show herd. As a junior calf he stood second at the American Royal in 1939. As a junior yearling he was first at Sedalia and Topeka, and he has stood well up in the larger shows.

\$500 Leonard Finch

## Browndale Crown

Compact with excellent spring of rib.

Was a member of our show herd last year. As a summer yearling he stood second at Missouri and Kansas state fairs; third at the American Royal. He is very compact; good spring of rib and stands square on four legs. His mother is a very typie cow and an extra heavy milker. His sire was a compact red bull by Sni-A-Bar Crown by Imported Baronet and stood second at the American Royal as a junior yearling and well up at Chicago.

He is a very rich roan color, well grown out. A good rugged bull with a very good head. His dam is one of our top cows. Her last bull calf heads one of the best herds in Iowa where he has proved to be a real herd sire. The sire, a deep red, excellent show bull, is by Sni-A-Bar Crown, and his dam, which has never produced a mediocre bull calf, is by the best breeding son of Prentice. The dam of this calf, Edellyn Eliza 19th, is out of an imported cow, bred by Duthie Webster.

To calve in September to service of  
Calrossie Prince Peter

Roan. This heifer has about all that is desired in a real breeding heifer. Note the Bruce Augusta breeding. She is a very nicely balanced heifer with a fine breedly head. This heifer could go in any herd as an improver. Had she been fitted for show, she would have been right at the top of her class. She is well along in calf. She was bred December 17, 1940 to Imported Calrossie Prince Peter, and should calve in September.

Miles-of-View  
Gloster 2d

Another good one  
to be bred to Cal-  
rossie Prince  
Peter.

This solid red heifer is not only well bred but is a good individual, very smooth, well balanced, with a perfect head. Her dam is a top selling heifer from the Dorsey Jones herd and is an outstanding breeding cow, always having a top calf. Every one of her daughters has been kept in the herd. She will be bred to Imported Calrossie Prince Peter.

# Roanridge Shorthorns

**BLUEMONT FAVOR**

The good son of Sni-A-Bar Claymore that now heads the Roanridge Herd.

This deep bodied, short legged, thickly fleshed bull is the most outstanding individual produced at Bluemont Farms. When the Bluemont herd was transferred to Roanridge he was retained as the herd sire. His first calves as indicated by the heifer calf offered at foot with Bluemont Lovey 2nd (lot 26) indicates that his retention was justified.

He is a son of Sni-A-Bar Claymore by Saltoun Claymore, the sire of Sni-A-Bar Ensign, the 1933 International grand champion. His dam was by Marshal Rodney, the sire of Gainford Marshal, the 1937 International grand champion. The next two sires, Scottish Gloster and Marshal Crown, were among the best breeding bulls used by Tomson Brothers.

Twenty-five of the best females were transferred from Bluemont Farms in the spring of 1940 as a foundation on which to build a herd at Roanridge, located six miles north of Parkville, Missouri, and fourteen miles northwest of Kansas City, just east of Highway 71.

In twenty years of operation of Bluemont Farms at Manhattan we have no knowledge of a dissatisfied customer. The same methods which have brought this result will be followed at Roanridge.

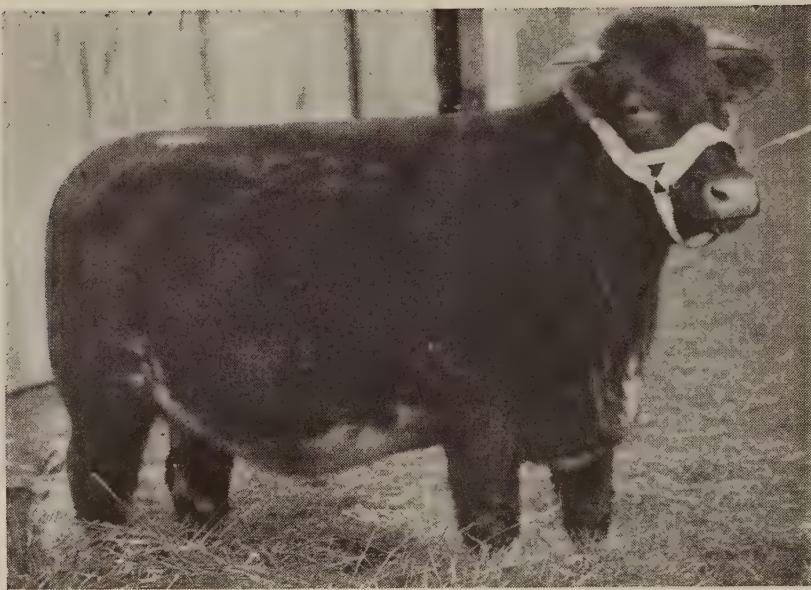

The Roanridge herd has been strengthened during the past year by the addition of females from James Durno herd at Uppermill Farm, Tarves, Aberdeenshire, Scotland, the Kansas State College, John Regier & Sons, Marellbar Farms, Miles-of-View, Merryvale and Sni-A-Bar Farms herds in this country. An occasional female of correct type and breeding will be added to the herd. Those cows which have demonstrated their value not only by producing good calves but by raising them well without assistance will be retained.

The herd is under the capable supervision of H. L. Brown.

The five females offered at Miles-of-View Farms this year will add value to any herd.

H. L. BROWN, Farm Supt.

## Brawith Bred 10th

Individual excellence plus royal breeding.

Brawith Bud 10th is from a Cruickshank foundation. This pedigree has been in three of the noted herds of Scotland and three of the best herds in Canada. She is a deep bodied, thick fleshed cow with an abundance of quality and breeding. Her heifer calf, of most modern type, sired by Klaymor Cap-a-Pie, has been retained at Roanridge as a foundation female. She is sold safely in calf to Bluemont Favor. This is a rare opportunity to introduce some of the best of new blood into southwestern herds.

## Bluemont Lovely 2d

A great breeding cow with a real calf.

Bluemont Lovely 2nd, an eight-year-old cow, has raised six calves and is sold with a heifer calf at foot and is rebred to Bluemont Favor. Her last bull was bought by Riley Brown, Cassville, Missouri, weighing 1,000 pounds when twelve months old. This cow is the ideal type for the farmer who wants a Shorthorn which will give an abundance of milk and yet produce a most desirable calf.

### Lovely Maid 12th

A lovely heifer  
in more ways  
than one.

Lovely Maid 12th will be a valuable addition to any herd. She has the weight for age, thickness of flesh, the quality and the type which have contributed to the popularity of Short-horns. She comes from a family which contributed largely to the success of Bluemont Farms. Her sire, Sni-A-Bar Barmpton 2nd, is a very short legged and good headed bull. Her dam is by Marshal Rodney, the sire of the grand champion Gainford Marshal. This heifer will make a foundation female of real worth.

# How to Get to Miles-of-View Farms

The routes to Sni-A-Bar Farms, Roanridge  
and Merryvale Farm is also shown  
on the map below.

Miles-of-View Farms, Sni-A-Bar Farms, Roanridge, Merryvale Farm and Gregg Farms are all within thirty miles of Kansas City. On these farms more than 1,000 head of high quality, pure bred Shorthorns of all ages, representing the best breeding in America, may be found. The herd bulls are outstanding.

In addition to these herds Shorthorns are a chief source of income on hundreds of farms in this area. Many of these farm herds are headed by sires selected from the above named herds. Nowhere else in America could so many Shorthorns of like merit be found within the limits of a days drive.
